In this class, play a variety of baby appropriate instruments, a dance with fun props. **Digital Home Materials Included**

**Feathers (for babies under 18mos of age)** -- The musical poems of Woody Guthrie, bird songs, and the naturally occurring sounds in nature help babies develop an early appreciation—and accelerated aptitude—for language, movement, and music in this class. **Digital Home Materials Included**

**Wiggles & Giggles (for 18mos-3yrs)** -- The more than 30 songs, 15 dances, and eight different instruments create these unique music activities, designed to reflect the importance of movement in the life of a toddler.
