CLASS DESCRIPTIONS

Peas & Carrots

Yum, yum, yum. Are you hungry? In **Peas & Carrots**, you'll have fun moving, singing, and playing as you explore snacks, meals, cooking, and mm, mm, eating!

Rise & Shine

Good morning, sunshine—it's time to start the day! Babies can start their days in all kinds of ways—but the way to make the most of mornings is to establish a loving, predictable, day-to-day pattern. Up and at 'em routines and rituals take center stage in **Rise & Shine!**

Pet Parade

Gather your critters! It's time for some pet-themed fun as we sing, dance, play instruments, and share our experiences of the animals that bring love and laughter into our lives. We'll gallop like horses, scamper like mice, and fly like birds as we develop our motor skills, vocabulary, recall, imagination, and so much more. Get ready to meow, neigh, woof, and squeak along as we all join in the **Pet Parade!**

Beach Days

Grab your beach ball and put on your sunscreen – **Beach Days** are here! In this unit, we'll explore the sights and sounds found at the beach through songs, dances, vocal play, instruments, and listening activities. Get ready to wiggle your toes in the sand, scuttle like a crab, and listen to the surf rolling in. Just like a day at the beach, this unit is full of sun, fun, and play!
