# CLASS DESCRIPTIONS

Hickory, Dickory,  
Tickle and Bounce

**Hickory, Dickory, Tickle & Bounce! (for babies under 18mos)** — Research shows the more you expose your baby to nursery rhymes and songs, the stronger those emerging language-learning skills will be. That's why these Mother Goose-like stories and rhymes are the main theme of this class. Plus, you'll develop research-proven communication strategies with your child through listening activities, speaking "parentese," and sign language. (Digital Home Materials Included)

The Rhythm  
of My Day

**Rhythm of My Day (for babies under 18mos)** This class will help you bring more rhythm and routine to your baby's day, as well as help develop lasting learning skills. We'll show you how and tell you why music can help your little one soothe into the day's schedule and help build a strong body and mind network for learning. You can bring home those same stress-free play and relaxation techniques from class, and incorporate them into your daily routines. (Digital Home Materials Included)

Milk &  
Cookies

**Milk and Cookies (for toddlers 18mos-3yrs)** - Make everyday home activities and chores easier and more fun with music! Cook and sing to "The Muffin Man"; dust and clean to the original song "In My House"; get ready to wash clothes to the delightful poem "Washing Machine". Baking cookies, eating cupcakes, blowing on hot cross buns, wiggling like jelly, going grocery shopping and making tea are all represented in familiar as well as new songs. Move, play, and sing together in developmentally appropriate activities created just for 1 ½ to 3-year-olds. Capture the familiar and new moments of the day and learn how music can impact your toddler. (Digital Home Materials Included)

**Thanksgiving Break: 11/25-11/29**
