Naples, FL – Ms. Susie has been named a Conductor’s Circle Maestro by Kindermusik International, the world’s leading publisher of music and movement programs.

Ms. Susie is an early childhood specialist at C’Mon Children’s Museum and offers Kindermusik in Naples, Florida at the Golisano Children’s Museum & Covenant. The Maestro Conductor’s Circle award recognizes excellence as a **Maestro Producer** of fast-growing programs which also offers **Masterful Teaching** by continuing to pursue child development education.

“The Kindermusik Maestro has a mission: helping children become better learners and helping parents understand how to help them reach their highest potential,” said Michael Dougherty, CEO at Kindermusik International.

Ms. Susie joins the elite company of the 32 Maestros Conductor’s identified as the top Educators of the over 5,000 licensed educators in the world who teach Kindermusik’s music and movement curricula. Ms. Susie began providing Kindermusik at the Naples Philharmonic Center in 2002 and currently offers the learning program to almost 200 families.

In the last year, her program flourished by offering sessions at two locations with the help of two additional teachers who possess a love and passion for children and music.

“We feel so honored to be recognized in this manner” said Ms. Susie. “Our Kindermusik families mean the world to us and we strive to offer them the highest quality musical learning experience possible!”

The Maestro Program recognizes licensed Kindermusik educators who master one of three levels in early childhood development: fast-growing programs, outstanding community service, and teaching excellence.

Kindermusik International is the world’s leading publisher of music and movement curricula for parents and their children, newborn to 7 years old. More than 5,000 licensed educators use the Kindermusik curricula in more than 63 countries, reaching more than 1 million families. The award-winning books, CDs, games, and instruments are based on more than 30 years of experience creating curricula based on new and proven research in child development, designed to nurture skills in the whole child: cognitive, physical, social, emotional, language and musical.
