## I See You!

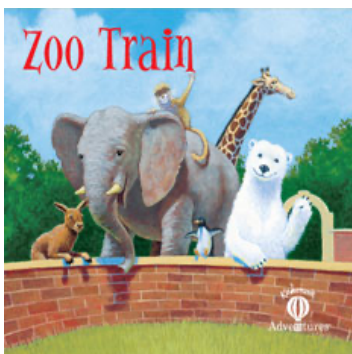

**I SEE YOU** (for children under 18mos of age)

More than just a curious story, Mother Goose games like peek-a-boo help babies understand language.

In this special camp, uncover more ways to say "I love you" using American Sign Language, bubbles, and parent-baby dances. Plus, parents can meet with other newborns and families in the community and learn how music improves the child development process.

Home Materials include: I See You! board book, digital class music, and baby duck bath mitt.

**ZOO TRAIN** (For children 18mos-3yrs)

Climb aboard the Kindermusik Zoo Train and visit the different Zoo animals. This music and movement class will have your little one stomping like elephants, swimming like polar bears, balancing a ball like seals, and flying like colorful parrots. Throughout it all, you will gain insight as to why we do different activities & how it helps your developing toddler socially, emotionally & physically.

Home Materials include: Zoo Train book, digital class music and polar bear shaker.
